

SELIN EREN

Information Systems and Technologies Student

Ankara, Türkiye · selin.eren@ug.bilkent.edu.tr · github.com/selineren · linkedin.com/in/selineren

SUMMARY

Final-year Information Systems and Technologies student at Bilkent University with experience in mobile application development, CRM systems, and software engineering projects. Built Android and iOS applications using Kotlin, SwiftUI, Firebase, SwiftData, and modern software engineering practices through internships and academic projects.

EXPERIENCE

Orion Innovation Bilgi Teknolojileri A.Ş. | Istanbul, Turkey

Feb 2026 - May 2026

Mobile SDK & Application Developer · Internship

- Developed World Tracker, an iOS travel application using SwiftUI, SwiftData, Firebase, Firestore, and MapKit.
- Implemented authentication, cloud synchronization, travel analytics, interactive maps, and country exploration features.
- Applied MVVM architecture, Git workflows, testing, debugging, and performance optimization practices.

RCSOft Sistemas de Informação Unipessoal, Lda | Coimbra, Portugal

June 2025 - July 2025

Junior Software Developer · Internship

- Developed CRM modules using C#, WPF, and DevExpress.
- Designed and implemented dynamic contact management features, API integrations, smart filtering systems, and UI enhancements.
- Collaborated on debugging, architecture improvements, and custom component development.

PROJECTS

Interactive Sudoku Application | github.com/selineren/SudokuGame

Java

- Designed and developed a desktop Sudoku application featuring custom puzzle generation, validation algorithms, hints, and error detection mechanisms.

TECHNICAL SKILLS

Languages: Java, Kotlin, Swift, C#, JavaScript, SQL

Mobile: Android Studio, SwiftUI, SwiftData, Firebase, Firestore, Room, Retrofit, MapKit

Tools: Git, GitHub, AWS Device Farm, DevExpress, WPF, Xcode

EDUCATION

Bilkent University, Ankara, Turkey

Class of 2027

Bachelor of Science (B.S.) in Information Systems and Technologies

Dean's List (2024) | Merit Scholarship Recipient | IELTS Academic 7.0

ENTREPRENEURIAL EXPERIENCE

Founder & Operator | Bilkent Cookies

2024 - Present

- Founded and managed a campus-based cookie business serving students and local partners.
- Oversee customer communication, order management, production, packaging, and delivery operations.
- Developed strong organizational, time management, and entrepreneurial skills while balancing academic responsibilities.

CERTIFICATES & LEADERSHIP

- AIESEC Global Talent Program, Portugal (2025)
- AIESEC Global Volunteer Program, Pakistan (2024)
